Mr. FRANK of Massachusetts changed his vote from "aye" to "no."

So the resolution was agreed to.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PROVIDING FOR CONSIDERATION OF MOTIONS TO SUSPEND THE RULES

Mr. REYNOLDS. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 651 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 651

Resolved, That it shall be in order at any time on the legislative day of Thursday, October 26, 2000, for the Speaker to entertain motions that the House suspend the rules relating to the following measures:

(1) the bill (H.R. 2498) to amend the Public Health Service Act to provide for recommendations of the Secretary of Health and Human Services regarding the placement of automatic external defibrillators in

Federal buildings in order to improve survival rates of individuals who experience cardiac arrest in such buildings, and to establish protections from civil liability arising from the emergency use of the devices;

(2) the resolution (H. Res. 650) expressing the sense of the House with respect to the release of findings and recommendations by the Federal Energy Regulatory Commission regarding the electricity crisis in California;

(3) the bill (H.R. 1550) to authorize appropriations for the United States Fire Administration for fiscal years 2000 and 2001, and for other purposes;

(4) the bill (S. 2943) to authorize additional assistance for international malaria control, and to provide for coordination and consultation in providing assistance under the Foreign Assistance Act of 1961 with respect to malaria, HIV, and tuberculosis;

(5) the bill (S. 2712) to amend chapter 35 of title 31, United States Code, to authorize the consolidation of certain financial and performance management reports required of Federal agencies, and for other purposes;

(6) the bill (H.R. 5309) to designate the facility of the United States Postal Service located at 2305 Minton Road in West Melbourne, Florida, as the "Ronald W. Reagan Post Office Building";

(7) the bill (S. 3194) to designate the facility of the United States Postal Service located at 431 North George Street in Millersville, Pennsylvania, as the "Robert S. Walker Post Office";

(8) the bill (H.R. 4399) to designate the facility of the United States Postal Service located at 440 South Orange Blossom Trail in Orlando, Florida, as the "Arthur 'Pappy' Kennedy Post Office Building";

(9) the bill (H.R. 4400) to designate the facility of the United States Postal Service located at 1601-1 Main Street in Jacksonville, Florida, as the "Eddie Mae Steward Post Office Building";

(10) the bill (H.R. 5528) to authorize the construction of a Wakpa Sica Reconciliation Place in Fort Pierre, South Dakota, and for other purposes; and

(11) the bill (H.R. 5314) to amend title 10, United States Code, to facilitate the adoption of retired military working dogs by law enforcement agencies, former handlers of these dogs, and other persons capable of caring for these dogs.

The SPEAKER pro tempore (Mr. HANSEN). The gentleman from New York (Mr. REYNOLDS) is recognized for 1 hour.

Mr. REYNOLDS. Mr. Speaker, for the purpose of debate only, I yield the customary 30 minutes to the gentleman from Ohio (Mr. HALL), pending which I yield myself such time as I may consume. During consideration of this resolution, all time yielded is for the purpose of debate only.

(Mr. REYNOLDS asked and was given permission to revise and extend his remarks, and include extraneous material.)

Mr. REYNOLDS. Mr. Speaker, earlier today the Committee on Rules met and passed this resolution, providing it shall be in order at any time on the legislative day of Thursday, October 26, for the Speaker to entertain motions to suspend the rules and pass or adopt the following 11 measures:

H.R. 2498, a bill to amend the Public Health Service Act to provide for recommendations of the Secretary of Health and Human Services regarding the placement of automatic external

defibrillators in Federal buildings in order to improve survival rates of individuals who experience cardiac arrest in such buildings, and to establish protections from civil liability arising out of the emergency use of these devices;

the resolution H. Res. 650, expressing the sense of the House with respect to the release of findings and recommendations by the Federal Energy Regulatory Commission regarding the electricity crisis in California; the bill H.R. 1550, to authorize appropriations for the United States Fire Administration for fiscal years 2000 and 2001, and for other purposes;

the bill S. 2943, to authorize additional assistance for international malaria control and to provide for coordination and consultation in providing assistance under the Foreign Assistance Act of 1961 with respect to malaria, HIV and tuberculosis;

the bill S. 2712, to amend chapter 35 of title 21, United States Code, to authorize the consolidation of certain financial and performance management reports required of Federal agencies, and for other purposes;

the bill H.R. 5309, to designate the facility of the United States Postal Service located at 2305 Minton Road in West Melbourne, Florida, as the "Ronald W. Reagan Post Office Building";

the bill S. 3194, to designate the facility of the United States Postal Service located at 431 North George Street in Millersville, Pennsylvania, as the "Robert S. Walker Post Office";

the bill H.R. 4399, to designate the facility of the United States Postal Service located at 440 South Orange Blossom Trail in Orlando, Florida, as the "Arthur 'Pappy' Kennedy Post Office Building";

the bill H.R. 4400, to designate the facility of the United States Postal Service located at 1601-1 Main Street in Jacksonville, Florida, as the "Eddie Mae Steward Post Office Building";

the bill H.R. 5528, to authorize construction of the Wakpa Sica Reconciliation Place in Fort Pierre, South Dakota, and for other purposes;

and finally, the bill H.R. 5314, to amend title 10, United States Code, to facilitate the adoption of retired military working dogs by law enforcement agencies, former handlers of these dogs, and other persons capable for caring for these dogs.

Mr. Speaker, as we are all aware, we are nearing the end of the congressional session and floor time is at a premium. This resolution allows us to consider several bills today under the expedited suspension procedure. Additionally, the majority of these bills are completely noncontroversial and none come as a surprise.

In addition, this resolution is within the spirit of House rules. Under clause 1 of rule XV of the rules of the House, the Speaker may only entertain motions to suspend the rules on Monday and Tuesdays and during the last 6 days of session.

□ 1445

The House has not yet passed an adjournment resolution, but I think all of us hope and expect that we are in the last 6 days of this session. This resolution simply abides by the spirit of the standing Rules of the House. I strongly support this rule, and I urge my colleagues to do the same. With this resolution, we will consider the underlying 11 bills before we adjourn for the year.

Mr. Speaker, I reserve the balance of my time.

Mr. HALL of Ohio. Mr. Speaker, I yield myself such time as I may consume, and I thank the gentleman from New York (Mr. REYNOLDS) for yielding me this time. As the gentleman has explained, this rule will permit the suspension of the rules for the consideration of 11 bills during today's session.

Mr. Speaker, this rule really should not be necessary. Under rule XV of the House Rules, suspensions may be brought up during the last 6 days of a congressional session. The problem is, we do not know if we are in the last 6 days of the session. If Congress were to adjourn at the end of the week, we could consider these and any other suspensions today. Since we have no idea when Congress will finally conclude its business and adjourn, the only way to take up the suspension bills today is to pass this rule.

What is particularly troubling about the rule is that this work should have been done weeks ago. There is no good reason why these bills could not have been handled already, especially when the House has had so little floor business in the last month. I cannot support the rule, and I will ask for a "no" vote.

Mr. HALL of Ohio. Mr. Speaker, I yield back the balance of my time.

Mr. REYNOLDS. Mr. Speaker, I yield back the balance of my time, and I move the previous question on the resolution.

The previous question was ordered.

The SPEAKER pro tempore (Mr. HANSEN). The question is on the resolution.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mr. HALL of Ohio. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Evidently a quorum is not present.

The Sergeant at Arms will notify absent Members.

The vote was taken by electronic device, and there were—yeas 221, nays 190, not voting 22, as follows:

Mr. DELAHUNT and Mr. HALL of Texas changed their vote from "yea" to "nay."

So the resolution was agreed to.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

CONFERENCE REPORT ON H.R. 2615, CERTIFIED DEVELOPMENT COMPANY PROGRAM IMPROVEMENTS ACT OF 2000

Mr. TALENT. Mr. Speaker, pursuant to House Resolution 652, I call up the conference report on the bill (H.R. 2614) to amend the Small Business Investment Act to make improvements to the certified development company program, and for other purposes.

The Clerk read the title of the bill.

The SPEAKER pro tempore (Mr. HANSEN). Pursuant to House Resolution 652, the conference report is considered as having been read.

(For conference report and statement, see proceedings of the House of legislative day of October 25, 2000, Part 2.)

The SPEAKER pro tempore. The gentleman from Missouri (Mr. TALENT) and the gentleman from New York (Mr. RANGEL) each will control 30 minutes.

The Chair recognizes the gentleman from Missouri (Mr. TALENT).

Mr. TALENT. Mr. Speaker, I yield myself 2 minutes.

Mr. Speaker, a few weeks ago I had a call from the leadership staff asking if I had a problem with using this legislation as a vehicle for passing a number

of things that I understood we had substantial bipartisan support for in the House.

I said no. I thought if it would facilitate the passage of legislation that meant really good things for a whole lot of American people that we ought to try to do it. And we have a conference report and on the surface of it it has a lot of things that I think a lot of people in this House like.

It has a minimum wage increase. It has small business tax relief, which I can testify has very strong support in the House and is very necessary in the small business community. It has the repeal of provisions which have prevented installment sales of businesses. It has an increase in the meals deduction, an increase in the deductibility of health insurance premiums for the self-employed. It has the Portman-Cardin pension reforms. It has Medicare giveaways. And most important for my perspective, Mr. Speaker, it has the community renewal new markets bill, which we had a press conference with the White House several months ago and all of us agreed, Republicans, Democrats, the President, the leadership of the House said it was the most significant anti-poverty legislation to pass this body in a generation.

I thought when I had a chance to handle this bill, and I flew back today to do it, that it would be a time of joy and a time of shared celebration.

I understand that the President has serious objections and may well veto this bill, and my heart is sad at that because it just seems to me there is so much good in here for the American people that we all ought to support it. I would hope he would find a way to sign it; and if we have some problems, work that out in some other format or some other way because I am just concerned if we do not do it now, we will not have a chance to do these things for the American people.

Mr. Speaker, I reserve the balance of my time.

Mr. RANGEL. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, the gentleman says that if there are differences in the bill that he seriously hopes that we could work it out. That makes a lot of sense, and that is why probably he is not a part of the Republican leadership.

The reason we have a veto here is because somebody on the other side of this aisle decided that they did not want to work out anything.

How do they think we are going to get out of here unless they talk to somebody? They do not have to talk to me, but they can talk to the gentleman from Missouri (Mr. GEPHARDT). They can talk to someone in the White House. They do not even talk to themselves. And now they come here and force the President to say that he is going to veto it merely because they have not discussed anything.

There are some good things in this bill. There are things that can be worked out in this bill. I have worked
